

THE OVERHEAD CARE CLUB ADVANTAGE

Your roof is constantly challenged by extreme weather, temperatures, and other threats that can compromise its integrity. A highly skilled technician will perform an annual roofing system inspection—including taking extensive photos both on your roof and in your attic, if accessible—to give you peace of mind your roof is properly protecting your home and family.

The Overhead Care Club® Advantage includes:

Annual Roof Checkup & Attic Analysis

We'll look at things from the inside and out to help ensure your safety, and inspect the most critical components of your roof. While we inspect your roof, we'll clean your skylights and remove large debris from your roof so you don't have to. We'll also seal all exposed nailheads with a high-grade sealant. Free annual gutter cleaning included. Don't climb up there and put yourself at risk! We'll do it for you.
